Gospel Meditation

Encourage Deeper Understanding of Scripture

Recently I received a note from a teenager I met years ago. He wrote, “Dear Father Muir, you probably do not remember me, but I wanted to thank you for your inspiring and humorous homilies at the parish. They helped me appreciate the beauty of Catholicism, which I have now embraced in a personal way.” That small note moved me more than he probably imagined. I had no idea my words had taken root in him. I was simply sowing seeds — week by week, Mass by Mass. Someone else — his parents, a youth minister, or God Himself — was doing the deeper work. Now this young man is joyfully reaping a harvest of faith.

In today’s Gospel, Jesus offers living water to a Samaritan woman whose life had been full of searching and disappointment. By the end of their encounter, she becomes a bold and joyful evangelist. Then Jesus turns to his disciples and says something easily overlooked: **“One sows and another reaps” (John 4:37)**. He is helping them — and us — understand how evangelization works. Often, the one who sows the seeds of faith is not the one who sees the fruit.

This Lent, ask yourself: Are you in a sowing phase or a reaping phase? If you are sowing — raising children, praying for someone, mentoring — be patient. Your work matters. If you are reaping — seeing someone come alive in faith — be grateful. You are standing on sacred ground, tilled and watered by others.

Lenten challenge: Thank someone who once sowed faith into your life. And keep sowing, even when the harvest is unseen.

— *Father John Muir*
