¿Por qué Consagrar a tus hijos a la Virgen de Fatima?

Consagrar a tus hijos a la Virgen es entregarlos a Ella, confiar en su amor de Madre y ponerlos en sus manos para que Ella los cuide, los proteja, guie su vida y los conduzca a Dios.

Es decirle con todo el corazón a la Virgen María que permanezca siempre al lado y a largo de toda la vida de tus hijos.

Es pedirle ayuda para que no permita que las cosas malas los aparten de Ella y les ayude a nunca alejarse del camino de Dios.

Entonces: ¿no quieres tú consagrar tus hijos a la Virgen? ¿No quieres que Ella este siempre con ellos? ¿No quieres entregárselos a su protección? ¿No quieres tener a la Virgen Santísima a su lado, a la Reina del Cielo durante toda su vida?

Mini Reflection: There are lots of different routes to Heaven. But there's only one Way.

The Way

A friend of mine who had family members belonging to several different religions once told me that there were as many different routes to Heaven as there were to the grocery store.

This was an analogy her family had used to remember that they all sought the same thing — God — even though they were going about the search in different ways.

I've thought a lot about her words in the years since she shared them with me. It's not an untrue analogy — there are a lot of different routes to the grocery store. An infinite number, in fact. There is actually no "right" way to get to the grocery store, because it all depends on where you're starting from and what other errands you have along the way.

And there are a lot of different routes to Heaven — likewise, an infinite number. It all depends on where you're starting from. It all depends on what you have to do along the way.

There it is: the part that matters. *The way.*

Whether we're talking about Heaven or the grocery store as our destination, all routes are not created equal. Some take too long. Some are impassable. Some are hard to navigate. Some are just plain made-up — the glitch of a GPS, the promise of a false prophet. And inevitably, if you take a less-than-ideal route, you will find yourself flagging down a pedestrian, asking, "I'm lost. Which way do I go?"

See, you can meander all you want. But in the end, you have to find The Way. And there's only one. Don't worry, though.

You'll know him when you see him.

— Colleen Jurkiewicz Dorman

Why do we do that?

Catholic Life Explained

Question:

Why do we celebrate Catechetical Sunday?

Answer:

The mission of the Church reflects the mission of Jesus to teach, preach, heal, and forgive. Through these acts, Jesus shares the good news of salvation and invites all people to share in the life and love of God. The Church continues this mission in all its ministries, but especially, and perhaps most importantly, through catechesis.

Catechetical Sunday is celebrated on the third Sunday of September. The task of handing on the Gospel is entrusted to the whole community, who, by word and example, form young and new members in the way of the Gospel. Parish programs assist parents in teaching the basics of faith through liturgical experience, instruction, and faith formation. This ministry is essential for the parish to grow, for individuals to develop as believers, and for the ongoing spiritual formation of the whole community. It reminds the church that preaching the Gospel and growing in faith are essential to our sacramental practice and our liturgical prayer.

Gospel Meditation

Encourage Deeper Understanding of Scripture

We generally approach life with the question, "What can this do for me?" We try a new workout, a low-carb diet, intermittent fasting, or a new career path, hoping it will make us healthier, stronger, happier. The assumption is that if I invest in this, I'll eventually reap some benefit, or I won't do it.

It is easy to think of faith the same way: if I really practice my faith, what will it do for me? Will it make me calmer, more moral, more successful?

But in today's Gospel, Jesus says something astonishing. He doesn't present himself as a teacher who shows us the way to life. He says, **"I am the Way, the Truth, and the Life."** (John 14:6) He is not merely a guide toward some higher benefit. He is the benefit itself. To know him is to know Life.

Thomas Aquinas explains that every desire in the human heart — love, joy, meaning, all of our restless cravings — is really an indirect cry for life. Even despair testifies to this longing; people despair precisely because they feel they are not, and might never be, fully alive.

The good news is that Jesus is not simply the means to a better life; He is Life itself. To believe in him is to share in God's own eternal vitality. Not simply later but even now. Faith is not a transaction that produces results — it is a union that fills us with joy. To be in communion with Christ is to be truly, fully alive.

— Father John Muir
